Low Back Pain

Fall Prevention

Gait & Balance Training

At EnPhysio, we want to meet the needs of your patients wherever they are.
That's why we send our therapists to your patients.

They DO NOT need to qualify for Part A coverage.

We offer an outpatient service that utilizes Part B, and we deliver that care in the comfort of your patients' homes. Our sessions are all 60 minutes and personalized to fit their needs.

We ENGAGE with your patients in their home...

We ENABLE them to regain function with the tools they have at home...

...Physical Therapy, the EnPhysio way!
